

January 1, 2015

CERTIFICATE OF COMPLIANCE, Regulation (EC) No. 1907/2006

This certificate affirms that NantSound, Inc. (DBA Sound World Solutions) fulfills its obligations under the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) Regulation. Title IV, Article 33 of REACH requires NantSound, Inc. to inform its customers if products (articles as defined in Title 1, Chapter 2, Article 3) contain more than 0.1% (by weight of the article) of substance(s) on the Substances of Very High Concern (SVHC) candidate list (Annex XIV), or that are on the subject to the restrictions list (Annex XVII), that are maintained by the European Chemicals Agency (ECHA). The SVHC list dated 16 June 2014 (155 substances) and the restriction list are available for viewing at www.echa.europa.eu.

As of the date of this certificate and until release of an updated certificate, there are no substances to report for any NantSound, Inc. product. Status of the lists will continue to be monitored and this certificate will be updated immediately upon confirmation of compliance list changes.

Sincerely,

Michael Kilhefner
Vice President of Operations
NantSound, Inc. (DBA Sound World Solutions)
